

2009 CAN-AM FESTIVAL PARADE

FLOAT COMPETITION

We would like to make our parade even bigger and better. We need more floats!! Non-profit organizations, school groups, and churches should contact a business and ask them to sponsor a float in the parade on July 18, 2009. The business could provide the money to decorate the float (\$75.00 limit) and the non-profit organization would design and construct the float. Both Names would appear on the float and a brief comment about the float during the parade would provide additional advertisement for both groups. The non-profit organization would compete for the float prizes which are:

1st place - \$175.00

2nd place - \$125.00

3rd place - \$75.00

The business considers the cost of the float as a donation, business expense, advertising, community support, and participation. You may contact Sherry Derouin at 646-3850 for any questions. We would like to know if you are going to participate by June 1, 2009.
