

Dear Brother Firemen:

The Sackets Harbor Fire Department will be hosting an Antique Fire Equipment /Apparatus Display during the Can-Am Festival. We would like to share the history of fire protection in our area. The display will be on Broad Street at our fire hall from 9:00-4:00. If you have antique equipment/apparatus and are unable to attend we would appreciate receiving pictures and a description of your vehicle.

You are also invited to put your equipment/apparatus in the parade which begins at 11:00 am. Please let us know if you are interested in attending by completing the form below. If you have any questions call Joel Derouin at 315-646-3850.

Sincerely,

Joel Derouin
